License Personal Assistance Services

BUWLC provides Personal Assistance to adults and children through a variety of Department of Aging and Disability Services (DADS).

Personal Assistance Services (PAS) is the provision of non-medical services to assist the client in performing activities of daily living (ADL's) and instrumental activities of daily living (IADL) such as household chores necessary to maintain the home in a clean, safe and sanitary environment. PAS may be provided in the clients home, or other locations such as work or school, as requested by the individual and allowed by the program regulations.

Anyone who is currently enrolled in these programs may choose to use Blessing U With Loving Care services.

***Area Agency on Aging (AAA)** responsible for planning, advocating, coordinating resources and providing services for seniors (persons 60+) and their caregivers. It's part of a national network administered by the Federal Administration on Aging and funded under the Older Americans Act. The Act provides for grants to states, area agencies and local agencies to ensure the needs of seniors are met through the provision of nutrition and other community services. Funds are passed through the Texas Department of Aging and Disability Services, the state's aging organization responsible for contract compliance. Service will be paid for a brief period, as a provide you can ask for BUWLC.

***Veteran Care Coordination** Assists veterans, their Spouses or surviving Spouses in obtaining up to \$25,000 per year to pay for Home Care, Assisted Living or Nursing Care.

There's Help, Just ask Blessing U With Loving Care

New Approved Programs

***PHC/FC/CAS (Primary Home Care / Family Care / Community Attendant Service)**

The PHC/FC/CAS program has three types of services available in Dallas, Tarrant and the 9 Surrounding counties that provide in-Home attendant care for eligible adults and children who need personal care services. Escort services for medical appointments and home management services are also covered. Referrals are received through DADS, just contact your Case Manager to assist you.

***MDCP/HCSS (Medically Dependent Children Program and Home & Community Support Services)**

The Medically Dependent Children Program (MDCP) provides services to support families caring for children who are medically dependent and encourages the transition of children in nursing homes back to the community.

What services are provided

Flexible Family Support Services— Individualized and disability related services, including personal care supports for basic activities of daily living (ADL's and Instrumental ADL's)
